

COLD LAKE HIGH SCHOOL

Happy Holidays!

As our semester winds to a close, and everyone is excited about our winter break, we would like to take a minute to reflect on all of the accomplishments of our students since September. Our academic results from last year have come back as some of our highest yet. This is because of the focus of our students, and the dedication of our staff to create high quality, engaging lessons. Thank you to all of our students for participating in clubs, teams and spirit activities. We would also like to send out a huge thanks to staff and community members who volunteered their time to make these activities possible!
